Energy Efficiency Rebate Agreement

DISCLAIMERS. Avista: (i) makes no warranties and disclaims all implied or express warranties (including, but not limited to implied warranties of merchantability or fitness for a particular purpose), and (ii) shall not be responsible for any representation or promise with respect to the equipment, materials, and/or labor required to install the equipment on the Premises, or the cost of such equipment, materials and/or labor, or any energy savings that may occur from the installation of such equipment.

AVISTA'S RESPONSIBILITY. Avista's sole responsibility under this Agreement is to provide funding in accordance with the Program, at the request of the Participant. Because of the variability and uniqueness of individual energy use, it is not possible to predict exact energy savings (if any) that may accrue to any particular Participant, and Avista, by providing funding, does not warrant that the equipment will achieve any reduction in energy costs to the Participant.

RELEASE. Participant shall release, indemnify and defend (if requested to do so) Avista from all claims, losses, harm, liabilities, damages, and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of the measures applicable under this Agreement at the Premises or any material and labor required for such installation.

ENTIRE AGREEMENT/APPLICABILITY/ASSIGNMENT. This Agreement contains the entire agreement between Avista and the Participant (singularly, a "Party"; collectively, the "Parties") and may not be modified except by a written instrument signed by both Parties. Furthermore, this Agreement will be binding upon the successors and assigns of both Parties. Participants may not assign this Agreement without the prior written consent of Avista, which consent will not be unreasonably withheld. Avista may assign this Agreement at its sole option.

ATTORNEYS' FEES. If any action is brought to enforce this Agreement, in addition to any other relief, the prevailing Party in such action will be entitled to an award of reasonable attorneys' fees and costs incurred in such action.

VERIFICATIONS. Avista has the right to verify equipment installed on the Premises, at its option, upon reasonable notice to the Participant. This Program is ongoing as part of Avista's continued commitment to energy efficiency and is subject to change without notice.
