The purpose of this change is to implement a Purchase Gas Cost Adjustment (PGA), effective June 1, 2009. PGA's are normally filed annually to reflect changes in the cost of gas purchased by Avista to serve its customers. Increases, or decreases, resulting from these PGA filings directly result from the cost of gas purchased in the marketplace. Avista Utilities makes no additional profit from PGA changes.

The purpose of this change is to pass through a reduction in the franchise fee imposed on gross revenues from the sale, transmission and/or distribution of natural gas to customers within the City of Moscow, Idaho. The franchise fee is being reduced from 5% to 3%, as specified in Ordinance No. 2006-06.

On November 8, 2005, the citizens of Moscow voted in favor of a ballot measure increasing the electric franchise fee from 1% to 3% and reducing the natural gas franchise fee from 5% to 3%. The City enacted the electric change through Ordinance No. 2005-34 which was effective April 1, 2006 (See Tariff Advice No. 06-01E). The City is now enacting the natural gas change through this renewal of the natural gas franchise agreement with Avista.

Questions should be directed to Ms. Knox at 509-495-4325.
