Re: Tariff WN U-28, Electric Service – WA Tax Adjustment Schedule

Attached for electronic filing with the Commission is the following tariff sheet proposed to be effective January 1, 2026:

Twenty Fourth Revision Sheet 58 Canceling Twenty Third Revision Sheet 58

The purpose of this filing is to pass through a new 6% utility tax imposed on gross revenue from the sale of electricity within the City of Endicott as specified by Ordinance No. 384. The fee is requested to become effective January 1, 2026 and will increase annual revenues by approximately \$22,000. The Ordinance states the following:

Town Council has determined that the public interest is best served by the implementation of a 6% utility tax on all electric bills.

Electric customers in the City of Endicott will see the following notice on their bills for one billing cycle beginning January 1:

The City of Endicott has imposed a new electric utility tax of 6% effective January 1, 2026 per Ordinance No. 384.

The Company requests that the Commission approve the proposed tariff changes included in this filing to be effective January 1, 2026. Enclosed is a copy of the pertinent city ordinance, as well as a "Notice of Tariff Change" which will be posted in all Company offices and on the Company's website coincident with the date of this filing.

Questions or comments regarding this filing should be directed to Joe Miller at (509) 495-4546.
