actual purchased gas costs incurred by the Company. Those differences are then collected from or refunded to Customers under Schedule 155 - Gas Rate Adjustment.

Additional debits or credits for Pipeline refunds or charges, Pipeline capacity release revenues and miscellaneous revenues or expenses directly related to the Company's cost of purchasing gas to meet customers' needs will be recorded in the Balancing Account.

Deferred gas costs will be determined for individual customers served under Schedules 112, 116, 132, 146, and 148, as well as for Customers that switch to or from any of these service schedules to another schedule. The deferred gas cost balance for these Customers will be based on monthly entries into the Balancing Account as described above. The deferred gas cost balance for each Customer will be eliminated by either 1) a lump-sum refund or surcharge, as applicable, or 2) an amortization rate per therm to reduce the balance prospectively. The Customer shall have the option of a lump-sum refund or surcharge or an amortization rate per therm.

The Company will compute interest on the average deferred balance of the PGA Balancing Account on a monthly basis using an interest rate based on the quarterly rate published by FERC that is used in their refund calculations.

Additional debits or credits for Pipeline refunds or charges and other miscellaneous revenues or expenses directly related to the Company's cost of purchasing gas to meet customers' needs will be recorded in the Balancing Account.

SPECIAL TERMS AND CONDITIONS:

The rates named herein are subject to increases as set forth in Tax Adjustment Schedule 158.
