

# FOODSERVICE *instant* rebates

## Save big on commercial foodservice equipment!

With the Avista Foodservice Instant Rebates Program you could save on high-efficiency equipment for your business. Choose from a variety of qualifying products and get valuable instant rebates as a discount on your invoice—no paperwork, no waiting. It's easy—here's how:

1. Find a participating dealer at [myavista.com/midstreamdistributors](https://myavista.com/midstreamdistributors)
2. Choose a qualifying product
3. Receive an instant rebate on your invoice

### Eligibility

Commercial customers of Avista are eligible to receive Instant Rebates. Qualified equipment must be installed in a commercial location and be fueled by Avista natural gas and/or electricity service. Leased equipment is not eligible.

### Energy savings with high efficiency

Major cooking appliances account for almost 35% of the average restaurant's energy expenditures. Efficient equipment could help decrease your energy use by as much as 75% compared to standard efficiency equipment<sup>1</sup>. High efficiency equipment uses less energy and water, which could reduce your utility bills.

**It's easy, no paperwork required**

Valuable rebates are available on a range of natural gas and electric equipment for your business.

For a full list of qualifying equipment, contact a participating distributor.

<sup>1</sup> Energy consumption for commercial kitchens based on ENERGY STAR® study: <https://www.energystar.gov/sites/default/files/asset/document/ES%20Restaurant%20Guide%202017-2018%20v16.pdf>. Actual savings may vary and will depend on various factors, including equipment installed, and usage rates.

Single tank rack conveyer	Low	Natural Gas	-	\$5,850	\$5,850
Single tank rack conveyer	High	Natural Gas	-	\$2,300	\$5,850
Single tank rack conveyer	High	Electricity	\$5,850	-	\$5,850
Under counter	Low	Electricity	\$230	-	\$230
Under counter	Low	Natural Gas	-	\$230	\$230
Under counter	High	Natural Gas	-	\$40	\$230
Under counter	High	Electricity	\$230	-	\$230

<sup>1</sup> For a qualified product list (QPL) contact a participating distributor.

<sup>2</sup> Rebate columns are not cumulative. Avista electric customers qualify for electric rebates. Avista natural gas customers qualify for natural gas rebates.

<sup>3</sup> DCV and dishwasher customers using both Avista electricity and Avista natural gas may qualify for a combined rebate.

<sup>4</sup> Qualified dishwashers will receive 1 of the 3 rebate amounts listed based on Avista-provided fuel. Choose dishwasher type and temperature combined with your on-site water heater fuel type and the type of fuel Avista provides to you to find your rebate potential.

<sup>5</sup> Water heating fuel type is the on-site water heater at the business, not the internal heater within the dishwasher unit.
