

A man in a red plaid shirt and white t-shirt is carrying a young girl in a red shirt on his shoulders. They are in a field of tall grass, flying a kite with a yellow and white striped canopy and a long, colorful tail. The background shows rolling hills under a bright blue sky with white clouds. The overall mood is joyful and energetic.

charge for
clean energy.**

AVISTA®

Introducing
**My
Clean
Energy™**

Support clean, renewable energy. Join Avista's new My Clean Energy program.

My Clean Energy (formerly Buck-a-Block) offers you new ways to offset a portion or all of your monthly electric usage by purchasing Renewable Energy Credits (RECs) for wind, solar and other qualified clean generation. It doesn't matter if you rent or own. Customers can choose renewable energy by adding as little as \$1 to their monthly Avista payment.
