

**Save big on a
Level-2 vehicle
charger for your
home or business.**

**LEVEL-2 CHARGERS ARE 2 TO 5
TIMES AS FAST AS LEVEL-1.**

Enjoy a Level-2 charger at your home or business by taking advantage of these money-saving offers—exclusively for Avista's Washington electric customers.

Residential Electric Customers

You can have Avista install a Level-2 charger at your home with no equipment fee, plus Avista will pay half the wiring costs up to a maximum of \$1,000.

Commercial Electric Customers

You can have Avista install a Level-2 charger at your business with no equipment fee, plus Avista will pay up to \$2,000 per port connection.

Join Avista on the road to a cleaner tomorrow.
