

Be sure you don't miss

**important
information
from Avista.**

AVISTA®

We want to make sure you get the information you need and want, from company updates and new programs to planned service interruptions, power outages and more.

Make sure the contact information you gave us is up to date by logging into your account today and going to **myavista.com/profile**. Then do a quick check to see if your address, phone number and email are all correct. We'll do the rest.
