

Prepare for outages that can affect home medical equipment.

If you or someone in your household uses medical equipment that requires electricity, it's important to be prepared in case of an outage. We encourage you to let our Avista CARES team know about your medical equipment by calling (888) 700-2757.

To learn more on outage preparedness and see if you are eligible for additional support from Avista, visit us at myavista.com/medicalequipment
