

Is your home losing energy?

Find out with a quick at-home energy audit.

AVISTA[®]

Start your Home Energy Audit today.

30813-I-0077

Avista has partnered with HomeBoost to provide a simple scan kit with step-by-step online guidance—so no in-home visit is needed.

- Free for eligible customers
- About 30 minutes to complete
- No scheduling an appointment
- Thermal camera helps find areas of hidden energy loss
- Home energy report sent in a few days

See which upgrades could help the most.
Rebates may also be available.
