

Important Notice for Oregon  
Natural Gas Customers  
(February-March 2019)

On Feb. 11, 2019, Avista filed a rate change proposal with the Public Utility Commission of Oregon (PUC) asking for an overall decrease of 4.2 percent in natural gas rates, effective March 1, 2019. If this decrease is approved, Avista's natural gas revenues would decrease by approximately \$3.7 million.

The purpose of this filing is to pass back the 2018 benefits related to the federal tax law changes caused by the Tax Cuts and Jobs Act that took effect on Jan. 1, 2018.

**The bottom line**

If Avista's natural gas request is approved, an Avista natural gas customer using an average of 47 therms per month could expect to see a bill decrease of \$2.18, or 4.3 percent, for a revised monthly bill of \$49.02 beginning March 1, 2019. Several other non-residential customer groups receiving natural gas service from Avista would also see decreases.
